

Waste Electrical and Electronic Equipment for Recycling from Perkin Elmer Customers

Under the French WEEE Decree, Perkin Elmer is required to finance the collection, treatment, recycling and recovery of any new electrical and electronic equipment that you buy from Perkin Elmer after August 2005, when that new equipment eventually becomes waste. Perkin Elmer has established a recycling contract with European Advanced Recycling Network (EARN) and will cover any costs of recycling the equipment in this box on arrival at an EARN recycling company. Please complete this box and attach it to a suitable box for transport of old equipment to EARN.

Please confirm that the enclosed equipment is:	
Perkin Elmer Equipment purchased after August 2005 which has become waste, and has a mass of less than 500 kg	✓
